

① Application for Software Engineers role at google - Request for interview opportunity.

Respected Sir/Ma'am,

My Name is Abhishek Kumar, & I'm willing to express my genuine interest in the software engineer role at google, ideally based in San Francisco, working at google has been a dream of mine for years. Not only because of its global impact but also because of its culture of innovation & learning.

I've attached my resume for your consideration. I would truly appreciate the opportunity to speak with you & explore how I might contribute to your team. Please let me know if it ~~is~~ it would be possible to schedule an interview at your convenience - I'll be happy to adjust to your availability.

Thank you so much for your time & contribution. I look forward to hearing from you.

Warm regards,

Abhishek Kumar
